V01

Milky Way

Marble evokes memories of ancient greatness and Milky Way continues that tradition with its bold lines and muted tones.

V02

Crystal

Crystal plays with texture and depth perception, creating a tranquil retreat from the hectic pulse of the world outside.

V03

Barcelona

A fluid texture that creates the feeling of having the whole ocean in one room, Barcelona is more than a splash of life - it's a cannonball.

V04

Origami

A reflection of the shapes that make up the delicate Japanese artform, Origami is a playful and bold juxtaposition of contrasting materials.

V05

Etrusco

*From the core of the Earth comes Etrusco, a modern imagining
of the sedimentary rock that was forged to create today's world.*

The background of the entire image is a dense, repeating pattern of various tropical leaves in different shades of green. The leaves include large monstera leaves with characteristic splits, palm fronds, and other broad-leafed plants. The pattern is layered, creating a sense of depth and texture.

V06

Botanic Garden

Inspired by beautifully potted plants and curated greenhouses, the Botanic Garden delivers freshness and positivity to any setting.

The background is a close-up of a wall made of horizontal wooden planks. The planks are dark, almost black, with a rough, weathered texture. There are patches of blue, green, and red paint or stain on the wood, giving it a 'metal wood' appearance. The lighting is dramatic, with some areas being brighter than others.

V07

Metal Wood

*Deep, saturated coloration amplifies the bold,
linear pattern of Metal Wood.*

COFFEE

V08

Gardener's Bliss

Instant feng shui is delivered via Gardener's Bliss, a colorful roadmap directs onlookers towards deeper meaning.

V09

Atacama

*Golden ferocity shines through on Atacama,
a pattern blending bold brushstrokes and muted lines.*

V10

Fern

*Inspired by urban gardens, Fern brings a natural
calming effect to any decor.*

V11

Golden Veins

Subtle texturing adds depth and enhances the mix of light and dark colors of Golden Veins.

V12

Greece

Expressionism is omnipresent in Greece, a modern revisiting of the classic art genre.

V13

Rust

Serious and well-seasoned, Rust takes the negativity associated with weathering and turns it on its head.

V14

Stained Glass

Great halls and classic buildings are top of mind when it comes to Stained Glass, a glance into endless opportunity.

V15

Toolbox

Utilitarian in form and feel, Toolbox assembles different shapes and sizes to form a material aesthetic.

V16

Lima

*Hexagonal shapes converge and play off one another in Lima,
a continental statement piece.*

V17

Harlekin

*Geometry in abundance, Harlekin uses vibrant
and fresh colors to tell a story.*

The background is a dense, repeating floral pattern on a light gray, textured surface. The pattern features large, stylized roses in shades of deep red, pink, and white, interspersed with smaller flowers and dark, pointed leaves. The overall style is a blend of traditional Victorian floral motifs with modern, bold color choices.

V18

Miraflores

*Blending traditional Victorian style with modern hues,
Miraflores is equal parts elegant and timeless.*

The background features a complex geometric pattern. It consists of light-colored marble tiles with dark, swirling veins, arranged in a herringbone or chevron pattern. Overlaid on this are rectangular pieces of light-colored wood, also arranged in a geometric, interlocking fashion. The overall effect is a sophisticated, modern design.

V19

Cristallo Mix

*One of our boldest designs, Cristallo Mix delivers
a portal to realms outside of our own.*

V20

Urban Art

*Capture the rhythm of the metropolis with Urban Art,
a cosmopolitan expression of creativity.*
