Dear All;

Please note that on June 30, 2020, the TFL colours in the table below will be delisted from Uniboard®'s stock colour collection. These colours will be available until paper stocks are exhausted. Should depletion of the paper stock for a particular colour occur before June 30, 2020, Uniboard will not be ordering additional paper quantities. However, should paper inventory remain of a colour after this date, you may continue to order TFL panels until depletion of the paper stock.
